

The Okra Brothers  
**Right Back Where We Started**

By Gordon Owens  
During my official visits to the Columbus area, I was impressed by how the local clubs are working together to serve those in need. Food insecurity, proper medical care and working to reduce violence are just a few challenges Rotarians are tackling in their neighborhood. AG Cedric Hill and I were nicknamed the *Okra Brothers* because we saved a couple cases of okra from the compost pile at the Merci Med garden, but that's only half the story. While it may have been a bit past its prime size to sell, we were convinced it could be put to good use. Cedric made a call to a friend at another non-profit at a local school that teaches students how to grow their own food and how to build a business selling that produce. The director of that program said, "I was just asked if I had okra to use to teach families how to prepare fresh, seasonal produce." After dropping the okra off on the other side of town, it turns out, it will be used for a cooking demonstration in a neighborhood just a couple blocks from where it was harvested. As simple as a couple case of okra may seem to us, by these clubs working together to leverage every available resource, those in need in Columbus are experiencing the *Magic of Rotary*.

By Chris Brand  
Our combined  
Rotary Zones 33  
& 34 have raised  
over  
\$1,000,000 to  
support Rotarian  
led relief efforts  
from the recent  
storms. Our Zone  
Director Patrick  
Eakes  
encouraged all  
the District  
Governors to  
apply for grants  
to help use this  
funding to assist  
areas in need of  
recovery in our  
zone. While our  
district was not  
hard hit this time  
around, several  
of our  
neighboring  
districts will need  
help for months  
or years to come.  
We applied for  
and were  
awarded a  
\$20,000 grant  
from Zones 33/34  
to purchase and  
equip a **Disaster

be quickly  
mobilized to help  
those in need.  
The trailer will be  
ready in  
December and  
our first trip is

By Bob Hagan  
The quote you see to the left from founder Arch C Klumph is circa 1916. It is every bit as true today as it was when he first uttered it. It is also no more profound than it is at the end of the year. How we close out a year sets the stage for what we wish to accomplish in the ensuing year. December is the time of year when we consider what other tax benefits we hope to employ. Our first thought is always going to be about what positive impact we can have with our gifts this year on the world of today. However, we are also aware of the charitable tax deduction available to us for our outright gifts. There are a number of ways we can do so. Are you aware you can gift using your Individual Retirement Account (IRA)?

Thank You For Supporting Laws of Life

By Carol Gray Walker

We are delighted to announce that the Georgia Laws of Life Essay Contest has exceeded its Meet Our Match campaign goal, raising an incredible \$80,911—far surpassing our \$60,000 target!

This success is a testament to the generosity and dedication of our donors, Rotary Club sponsors, and corporate partners who believe in the power of strong character values. As Helen Keller wisely said, “Alone we can do so little; together we can do so much.” Your support inspires students to embrace character values that lead to lifelong success. Together, we are making a difference—one essay, one student, and one life lesson at a time.

## **Carrollton Dawnbreakers Honors Local Veterans**

By Sarah Powell

To honor local veterans this Veteran's Day, the Carrollton Dawnbreakers Rotary Club recently collected clothing and hygiene items and delivered them to the Trinka Davis Veterans Village. The village offers primary care and specialty health services, including dentistry, treatment for lung disease, and more to US veterans. One of the most heartwarming aspects of the event was the involvement of Rotary members' children, who played an active role in sorting and organizing supplies for the Veterans Village. By engaging the next generation in hands-on service projects, the Carrollton Dawnbreakers Rotary Club is fostering a sense of responsibility, compassion, and leadership in young people. [more]

## **Clubs Collaborate to Promote Peace**

By Mandy Timmons

The Rotary Clubs of Peachtree City, Senoia, Tyrone, and

Fayetteville joined forces to celebrate a significant milestone at the Healing Bridge Clinic in Peachtree City. Together, we proudly dedicated *The Rotary Room*, a project made possible through grants and the collective service of our clubs.

The day's highlight was the unveiling of a Peace Pole, symbolizing Rotary's unwavering commitment to global peace and understanding. Built and coordinated by DG Gordon Owens, the Peace Pole serves as a poignant reminder of our mission to foster peace locally and globally. DG Gordon shared his heartfelt thoughts, saying, "As Rotarians, we are out in our communities creating peace.... Think about the people that are coming here for healing."

End Polio Now

## Give the Gift of Polio Eradication

By Bob Hagan  
The Paul Harris quote to the left is certainly well known as it leads us into our Rotary International History page. It hits the reader squarely between the eyes with the fact that no matter what we might think about the things we do, the world will judge us by what they see us do and how it affects the world. Truly a huge responsibility does each of us have as Rotarians. It is up to us to live up to the words of Paul Harris and the ever-critical eyes who keep watch over us. It has been a tougher year in many ways in that area of the world we are most concentrated on as we fight to end Polio on a worldwide basis. Civil unrest compounded by cultural mores make our task ever the harder climb to success, but success is what we still achieved this year, even in the war-torn areas of our very personal fight against the spread of Polio.
