

From Our District Governor
Celebrating the Holidays and the Spirit of Giving

By Steve Ivory
I hope everyone had a safe and wonderful Thanksgiving holiday with friends and family. This is a very exciting time of year as we head into holiday season. Most of you all are likely beginning to do lots of fun stuff like: shop, prepare to travel, plan to attend/host holiday parties with your clubs and family and friends and of course, close out the year for work. I wish everyone an amazing holiday season!

I want to remind you all, on behalf of RI President Francesco, that December is Rotary's Disease Prevention and Treatment month. There are many global gaps in physical and mental health care access. As Rotarians, we can help out with these causes and keep driving towards a polio free world and help those with mental health needs with our investments, support and training. Please remember

Our Rotary Foundation
Our Rotary Foundation is “Tops” Again!
By Bob Hagan
Last month we got to share the successes of The Rotary Foundation and how fitting since it was “Foundation” month. Therefore, we looked at the successes internally. This month we have the opportunity to celebrate the external successes as seen by others about us. Here is a great “Did you know?” question: Did you know The Rotary Foundation was honored with a “Four Star rating” which is the top rating a charity can receive from Charity Navigator for the 17th consecutive year? Read on for more about Charity Navigator ... and information about a video entitled, "Rotary's fight Against Polio: Global Programs and Updates from Pakistan." And don't forget that your donations to Polio Plus and The Rotary Foundation make a big difference in the world.

CART Contribution Update

Small Change Making a Big Difference

By Nancy Alterman
The mission of the CART (Coins for Alzheimer's Research Trust) Fund is to raise seed money for bold, early-stage Alzheimer's research—ideas that might otherwise go unfunded but have the potential to unlock breakthroughs in prevention, treatment, and ultimately, a cure. CART is unique in that 100% of all donations go directly to Alzheimer's research, empowering scientists to gather the initial data needed to secure major grants and advance innovative discoveries. In June 2025, the CART Fund announced six grant recipients were awarded a total of \$2 million in funds for Alzheimer's research. What began as Rotarians contributing pocket change at weekly meetings has grown into a powerful grassroots movement. And once again, our clubs are showing how small acts of generosity can create big impact. This year, we've already collected more than \$4,500 and there's time to do so much more. [more]

PAUL HARRIS SOCIETY

Our Rotary Foundation **Make the Season of Giving Last All Year Long with the Paul Harris Society**

By Lauri Young

With the holidays upon us, thoughts turn to gift giving, entertaining and New Year's Resolutions. We can't help with your gift list or holiday entertaining, but we CAN help with those resolutions.

In 2026, why not resolve to help those less fortunate here at home and around the world? A commitment to the Paul Harris Society (PHS) can make that an easy resolution to keep. Members of the Paul Harris Society commit to giving \$1,000 annually to further the humanitarian, educational and cultural work of our Rotary Foundation. [more]

Rotary Friendship Exchange Why You Might Benefit from Participating in RFE

By Ada Wikina Rotary Friendship Exchange (RFE) is one of Rotary International's oldest but often lesser-known programs. It's essentially a reciprocal exchange program where Rotarians (and often their families) from one country visit Rotarians in another country or region, and then host them in return. Learn more about the resolution signed by District 6900 and Rotarians in Serbia and Montenegro, and the opportunities you might have for global grant partnerships, cultural exchange and more. [more]

Foundation
Giving**

By Lee Hollingsworth
This incredible under-50 member club that started in 2000 continues to excel, inspiring generosity like few others. Foundation giving is a vital, self-less, and often difficult task that makes our grants possible. And North Fulton Rotarians have donated more than \$900,000 to the Annual Fund in just 25 years as a club! Foundation Chair Doug Higgins, President Erik Bykat, and District Grants Chair Mike Mudd recently announced two new members of the Bequest Society: Club President Elect Dan Jenkins (his \$50,000 Bequest leads the District) and Past President and Assistant Governor Joy Manbeck. This is after North Fulton Past President Richard Matherly committed the District's largest Bequest last year at \$50,000. [more]

Honoring Polio Eradication Champions

By Claudia Merti
In honor of World Polio Day, the **Rotary Clubs of Atlanta Southern Crescent/Clifton Emory** held a dinner at Chai Pani in honor of polio champions who have dedicated their lives to eradicating polio as part of the Global Polio Eradication Initiative (GPEI). The Club was humbled and honored to be in the presence of several global polio champions who were in town for high level strategy meetings, including Dr. Hemant Shukla and Dr. Mufti Zubair Wadood. They shared their experiences on the frontlines of polio eradication in the most remote parts of the world and the immense efforts and dedication that polio workers share globally towards a polio-free world.

By Judith Fuller
This fall, the **Brookhaven Rotary Club** was proud to be a part of the Brookhaven Farmers Market, where members dedicated their time to man a booth focused on collecting food donations for a great cause. The Brookhaven Rotary Club invited market-goers and community members to stop by, donate, and learn more about the important work being done at the Suther's Center Food Pantry and the Rotary Club. Visitors to the market found Rotary Club volunteers on hand, ready to accept non-perishable food items and monetary contributions to benefit the Suther's Center Food Pantry, a vital resource for families in need within Brookhaven. Americus Holds Successful Unity in Community Peace Day

By Angela Smith
On Saturday, October 25, the **Americus Rotary Club** kicked off its first Unity in Community Peace Day - a day of celebration, reflection, and creativity. The free, family-friendly event invited the entire community to gather under the theme: "One Community, Many Voices, Shared Peace." The event was the brainchild of the club's Peace Committee, and the planning team was hopeful that the theme would resonate with community members. Not only were these hopes met, but they were greatly surpassed, as over 275 people poured into Rylander Park to spend the afternoon together with people they knew, and people they had never met before.

Dunwoody Gives New Meaning to Turkey Trot

By Jackie Cuthbert
Partnering with others in the Dunwoody community, the **Rotary Club of Dunwoody** once again supported the creation of Harvest Baskets for 85 needy families at a local elementary school. Our participation includes some funding AND being on-hand to load baskets for recipients on distribution day. But perhaps the highlight is the "turkey trot" - not a 5K race but rather a run through the local Publix to buy holiday turkeys - because there's a two-turkey limit for any one buyer. Our "runners" are pictured here, but check out the rest of the story. [more]

Bainbridge Shares Information on Georgia HEART Tax Credit

By Jamie Sinko
It is not often that we get to decide how our tax dollars are spent. Did you know your Georgia state income taxes can be sent back to hospitals in need? Through the Georgia HEART Hospital Program, you can Help Enhance Access to Rural Treatment by directing your state tax dollars to support a hospital's mission. Georgia is the only state that empowers its residents to transform tax payments into direct support for rural healthcare. Why Choose the HEART Tax Credit? The support it provides for rural healthcare has strengthened our ability to deliver critical services to our community and boost local healthcare resources [more]
